## OUR LEARNING MANAGEMENT FRAMEWORK: **SETTING YOU UP FOR SUCCESS**

Our powerful Learning Management Framework solves your organization's pain points around eLearning including ease of use, administration/reporting and on-going support.

### **Stock library content**

Features one of the broadest libraries available with more than 165,000 innovative content titles developed by Skillsoft – the global leader in corporate learning.

### **Dedicated Success Coach**

Plans and manages administration, reporting and employee participation to ensure optimal results.

### **User-friendly, customized portal configured for you**

Leverages Skillsoft's Skillport portal to give you 24/7 anytime, anywhere access. Already have a Learning Management System? We can integrate our courses into your LMS too.

### **Powerful tracking & reporting**

Real-time reports provide detailed insights to evaluate performance against KPIs.

### **Easy administration**

Learning Delivery Services help take the load off your people using Skillport or your own LMS.

### **Custom content**

Whether it's tailoring stock content or working with you to develop completely custom course content just for your staff and customers, our experts can scope out your project needs to provide cost-effective solutions.

## **OUR WORLD-CLASS COURSE COLLECTIONS**

The Bulletproof Academy team understands the needs of companies when it comes to managing eLearning and the needs of eLearning students. We've partnered with one of the world's most innovative eLearning companies – Skillsoft, to package and deliver course bundles that deliver maximum ROI for your organization.

### **Compliance Collection**

Covering more than 500 risk topics across 32 languages, our content catalog provides one of the largest global libraries of legal compliance and workplace safety compliance training available.

### **IT Collection**

Support for more than 100 professional IT certification exams from leading software, hardware, cloud and professional organizations, with a tracked pass rate of over 90. We provide training on important exams, including AWS, CompTIA, Google, Linux, Microsoft and more.

### **Productivity & Collaboration Collection**

Provides on-the-spot and in-depth training for the applications, operating systems, and devices most used by today's organizations. This collection is designed to meet different learning styles through multi-modal assets.

### **Business Skills Collection**

Organizations will require a broad base of both hard and soft business skills to remain agile and competitive. This Collection offers both with training for frontline employees to executives.

## **2 BUNDLES OF eLEARNING**

### **SELECT 300 BUNDLE**

The Bulletproof Select 300 Bundle is specifically for medium to large-sized organizations that need a low fuss, turnkey training solution. Customers can choose from 300 courses within 3 of the collections: Business Skills, IT and Productivity & Collaboration. Bulletproof Select 300 enables learners to quickly and easily find courses that fit their learning needs.

### **COMPLIANCE BUNDLE**

Need to be compliant in your industry? We've got you covered from legal and ethics to workplace safety training via a full suite of compliance course options tailored to your industry-specific requirements. This option allows you to explore the full library to meet your regulatory needs.
