

INTRODUCING

BULLETPROOF 365E ENTERPRISE

END-TO-END
INTELLIGENT SECURITY
POWERED BY MICROSOFT 365
AND AZURE SENTINEL

UNMATCHED ENTERPRISE GRADE SECURITY

With mobile workforces, volumes of connected users and devices, hybrid combinations of on-premise and cloud infrastructure, and a myriad of tools that don't communicate with each other, IT teams face more demands than ever, often resulting in security gaps that leave you vulnerable.

Bulletproof 365 Enterprise is an end-to-end managed service for Microsoft-powered organizations that bridges the gaps in cybersecurity tools, skills and capacity, providing organizations with seamless enterprise grade security in one cost-effective package with no long-term commitments.

The 365E Advantage

- Microsoft's Advanced Threat Protection
- Advanced Identity Protection
- Automatic threat containment
- Proactive threat protection
- 24/7 Responsive security alerting and monitoring
- Data stays under your control
- Cybersecurity experts to free up your IT team
- Employee Security Awareness training and enablement
