BULLETPROOF

a GLI® company

THERE'S NOTHING BETTER THAN DOING THINGS BETTER. **WE CAN HELP.**

- Get maximum value out of your SharePoint investment/configuration.
- Increase employee adoption and use.
- Simplify IT with a cloud-based, fully mobile platform.
- Avoid governance pitfalls.
- Streamline document control processes.
- Provide remote file access without VPN overhead and cost.
- Migrate or modernize from older versions of SharePoint.
- Enable better collaboration, no matter where team members are.
- Build a company Intranet.

SUCCESS STARTS WITH **STRATEGIC THINKING**

SharePoint **Max ROI** Package:

- **Understand the Possibilities** – Interactive workshop and planning sessions demonstrate how SharePoint can be used within the organization.
- **Discovery** – Analyze current information management process and other business functions that can be performed more easily on SharePoint. Determine the best approach for moving to SharePoint and establish an order-of-magnitude estimate.*
- **Delivery** – A high-level strategic roadmap outlining how SharePoint can be used to best meet organizational needs along with a clear picture of the steps and effort level to deploy.

*Note: Content and focus of plan will be based on the results of the workshop and discovery.

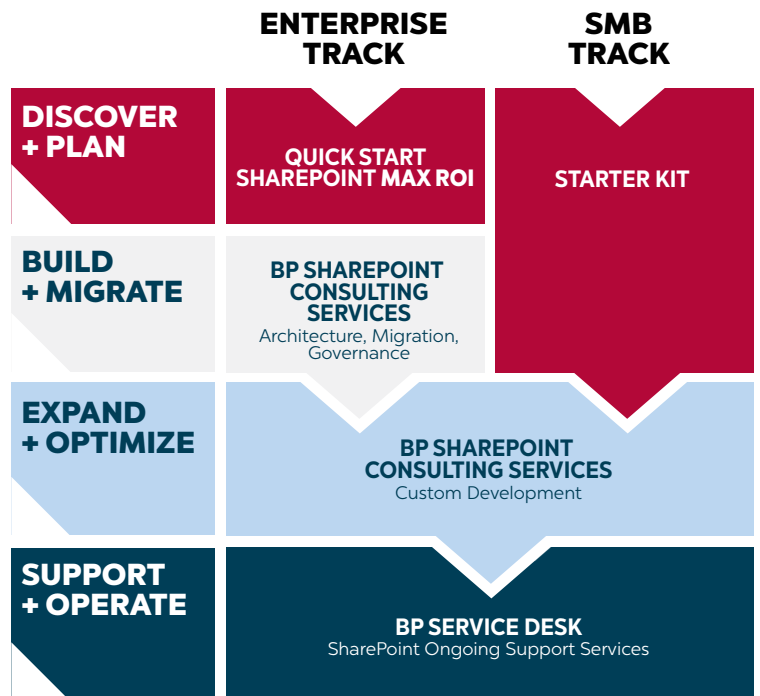

THE SMARTEST PLAN IS A **BULLETPROOF PLAN**

- **Microsoft Gold Partner** – Office 365, Azure and SharePoint.
- **Large SharePoint team** with decades of combined experience.
- **Security is in our DNA.** Protecting your privacy and data is built in.
- **End to end SharePoint services** – planning, custom enhancements, training, governance and service planning, business process improvement and end-user (helpdesk) support services.
