# YOUR END-TO-END LEARNING PARTNER

## Our Learning Management Framework: Setting You up for Success

Our powerful Learning Management Framework solves your organization's challenges around eLearning, including ease of use, administration/reporting, and on-going support.

**Stock Library Content:** Features one of the broadest libraries available with more than 165,000 innovative content titles developed by Skillsoft – the global leader in corporate learning.

**Dedicated Success Coach:** Plans and manages administration, reporting, and employee participation to ensure optimal results.

**24/7 Anytime, Anywhere Access:** Leverages Skillsoft's Skillport portal for a user-friendly, customized, and round-the-clock experience. Already have a Learning Management System? We can integrate our courses into your LMS too.

**Powerful Tracking & Reporting:** Real-time reports provide detailed insights to evaluate performance against KPIs.

**Easy Administration:** Learning Delivery Services help take the load off your people using Skillport or your own LMS.

**Custom Content:** Whether it's tailoring stock content or working with you to develop completely custom course content just for your staff and customers, our experts can scope out your project needs to provide cost-effective solutions.
