

INTRODUCING

# BULLETPROOF 365E ENTERPRISE

END-TO-END  
INTELLIGENT SECURITY  
POWERED BY MICROSOFT 365  
AND AZURE SENTINEL

## UNMATCHED ENTERPRISE GRADE SECURITY

With mobile workforces, volumes of connected users and devices, hybrid combinations of on-premise and cloud infrastructure, and a myriad of tools that don't communicate with each other, IT teams face more demands than ever, often resulting in security gaps that leave you vulnerable.

Bulletproof 365 Enterprise is an end-to-end managed service for Microsoft-powered organizations that bridges the gaps in cybersecurity tools, skills and capacity, providing organizations with seamless enterprise grade security in one cost-effective package with no long-term commitments.

### The 365E Advantage

- Microsoft 365 Defender
- Advanced Identity Protection
- Automatic threat containment
- Proactive threat protection
- 24/7 Responsive security alerting and monitoring
- Data stays under your control
- Cybersecurity experts to free up your IT team
- Employee Security Awareness training and enablement

**“We chose Bulletproof because of their long standing partner relationship with Microsoft and unmatched security pedigree. It gave us the confidence that Bulletproof was the company we could trust.”**

Walter Coleman,  
Group Lead: IT, Trevali

## PROTECTIONS THAT **GO WAY BEYOND** TRADITIONAL OFFERINGS

We operate from an **assumed breach** position. Proactive protections stop threats before they happen, and our responsive security automatically contains threats should they occur.

### WHY BULLETPROOF?

- Microsoft Gold Partner
- 2019 and 2020 IMPACT Award Winner: Partner of the Year | Modern Workplace
- State-of-the-art 24/7 Security Operations Centre (SOC)
- Trusted by users on six continents to protect their data, devices, and people
